## ASSAULT ON SHERIFF APPELGATE.

Sheriff Howard Applegate was murderously assaulted about 9:30 o'clock, Wednesday evening in the county jail by Charles Redd, who is confined on a charge of highway robbery, having robbed Henry Young, a veteran, during the G. A. R. Encampment.

The Sheriff had gone to the cell block to place the prisoners in their cells, it being the custom to allow them the custody of the corridors. When the Sheriff entered Redd seized a lighted lamp and hurled it at his head. It broke into a thousand pieces and the desperate struggle between the sheriff and the prisoner was waged in the intense darkness.

The Sheriff was able to land the fellow in the cell but not until his body was a mass of cuts and bruises inflicted by the demon. Drs. Finley and Galloway were called to attend his injuries. Latest reports are that his chances for recovery are favorable.

For some time Redd has been pretending to be insane but it is now believed that he was expecting to catch the Sheriff off his guard and make an attempt for his liberty.

### SMITH APPOINTED.

Dispatches state that Pres. Taft sent to the Senate the name of Lester Smith of Jamestown as postmaster in that place. The contest for this position has been long drawn out between the present incumbent, W. O. Oustis, and Mr. Smith. Some months ago the President sent in Mr. Oustis' name but it was never confirmed.

Dr. W. R. McChesney delivered the class address at Wayneville at the annual commencement of the Wayne township schools last Tuesday night.

## Plans For Next Chautauqua.

The Antioch Chautauqua closed Sabbath evening after nine successful days. Favored by good weather the management saw the attendance increasing each day. Dr. Fess is highly elated over the many expressions received from those who attended. Financially the chautauqua was a success for the first time. Instead of a deficit there is a net balance that will be used in carrying on the work next year. Several of the numbers on this year's program have been secured for next season.

In addition to the chautauqua Dr. Fess received several checks for substantial amounts to be added to the college endowment. For the college to remain as a college of the first class it will be necessary to have an endowment of \$200,000, under a ruling of the Ohio College Association. It will require \$60,000 to comply with this rule.

Franklin W. Hooper of Brooklyn has agreed to raise \$10,000, Mr. Morgan of Pittsburgh, \$10,000 and another \$10,000 in Chicago. Rev. Davidson of Xenia expects to raise \$10,000 in Greene county. The State and National Teachers Associations will assist in this work also.

### TROTTER, PACING AT XENIA.

Harness Racing promises to be very popular during the coming season, and the meetings to be held in the Ohio Racing Circuit, of which Xenia is a member right at this time look as if they will all be big, and successful ones. The meeting in Xenia should be one of the best in the Circuit, for the reason that the horses will have had two weeks of racing at Hamilton and Dayton, and will be keyed to the point where they will be able to show some fast miles.

The Xenia track is a popular one for horsemen, and they know that the association there is made up of some of the leading business and professional men of the town, and county, and that the meeting be conducted along the most up-to-date and progressive lines, both the horsemen and the public are assured that the sport will be high class in every respect. The Xenia meeting will be July 18-19 and 20.

## HARPER ESTATE SOLD SATURDAY.

Seven hundred and sixty-five acres of the land turned over to W. L. Miller and Marcus Shoup as trustees of the Harper heirs was sold last Saturday at the court house by W. L. Marshall, the auctioneer and real estate dealer. The sale amounted to \$17,000 or about \$22 per acre.

The first tract 156 acres in Cedarville township known as the Gibson farm sold for \$70 to Thomas Henry Harper of Gladstone. This land is under lease and the new owner will not get possession for two years.

Tracts two and three comprising 338 acres in Ross township were purchased by C. O. McFarland of Crawfordville, Ind., for \$75 per acre. Mr. McFarland also purchased No. 4, located west of Gladstone, 119 acres at \$73.50 per acre. Tracts five and six near Spring Valley consisting of 161 acres, were purchased by Thomas Harper at \$23.50 per acre. This land is very rough. Both purchasers are among the fifty or more heirs of the estate.

### U. P. PASTOR RESIGNS.

A large number of our people will no doubt be surprised to learn that Rev. W. A. Condon, who has been the pastor of the United Presbyterian church in Clarion for the past three years, handed in his resignation the first of the week. He will fill the pulpit but two more Sabbaths and will then go from here to join his wife and children, who are visiting at their old home in Cedarville, Ohio.

Rev. Condon has not decided definitely where he will locate but has several places in prospect from which to choose. He has been a very efficient and acceptable pastor and the members of his congregation and numerous other friends will regret the departure of his estimable family, but wish them well wherever they may go.

The Clarion church has no other pastor in view at the present time but the pulpit will probably be supplied from time to time by candidates until Rev. Condon's successor is selected.—Clarion (Iowa) Chippew.

## QUIT BUSINESS SHOE SALE

"I am positively going out of the Shoe business."—R. A. DeWeese.

Prices have been low before, every one knows. But now they take another decided drop. With \$25,000.00 worth of Shoes for Men, Women and Children to be sold, the most drastic measures have been decided upon. That Dayton has never before experienced shoe selling of such a daring nature is evidenced by the few prices we quote.

It is the opportunity of a life-time to profit by the retirement of this firm from business. People with fore sight will buy not alone Oxfords for summer wear, but high shoes for later wear in fall and winter. It is an unprecedented chance to provide children with school shoes at prices you will likely never again meet.

These lots are typical of the selling.—Everything is to go.—Nothing reserved.

## Alcohol to Children

Ask your doctor how often he prescribes an alcoholic  
stimulant for children. He will probably say, "Very, very  
frequently." Children do not need stimulating. Ask him  
how often he prescribes a tonic for them. He will prob-  
ably answer, "Very, very frequently." Then ask him  
about Ayer's non-alcoholic Serravallo as a tonic for the  
young. Follow his advice. He knows. **J. C. Ayer & Co., Lowell, Mass.**

### LAW MAKING.

Congress has adjourned and we  
now read of what wonderful things  
have been done the past few months.  
The many new laws passed will be  
of a betterment to some and no  
doubt another class will claim an  
injustice to their particular side of  
the issue.

The first thing we find with the  
adjournment of congress is a squab-  
ble as to who gets the credit for the  
legislation. Reports come from the  
White house that President Taft is  
foremost in securing the legislation  
as promulgated under the Republican  
platform. Next we hear that the  
"Insurgents" are alone responsible for  
the legislation in behalf of the  
people for had not this faction made  
the fight possible the "Regulators"  
would not have made any effort to  
support needed measures.

When it is all summed up we  
doubt if the public in general will  
feel any great benefit. The public  
looks too lightly on law making.  
Laws come from our national and  
state legislatures like gnats from a  
putrid garbage. There are a thou-  
sand and special laws passed yearly,  
then permitted to die because they  
serve no special purpose.

All laws should be made to be en-  
forced—enforced all the time, every-  
where, against all men. The mak-  
ing of special exceptions only weak-  
ens the respect for law.

The tendency today is for all new-  
ly elected members of law making  
bodies to attempt to attract public  
attention by introducing and urging  
the passage of some law that will  
strike some large corporation. In  
most cases we find that much of this  
legislation is done for political effect  
and not for the direct good of the  
people.

The higher cost of living is with-  
out doubt largely due to the constant  
fight that is being made on public  
corporations. The more the law  
makers burden the corporate inter-  
ests just that much more will the  
consumer ultimately pay for his  
wares.

Corporations have high salaried  
men to protect their interests and as  
a rule nothing need be said in their  
defense. As we see the situation  
today the consumer is becoming the  
victim for he is compelled to pay  
for the four different kinds of taxa-  
tion that are being forced on cor-  
porations.

The corporate interests have in the  
past probably not met their share of  
government expense, yet it appears  
that the increase is being taken  
from the consumer in what he eats  
and wears.

Mr. James Garner, a well known  
colored citizen, was married last  
Saturday evening to Mrs. Caroline  
Webster. The ceremony was per-  
formed by Rev. Vincent Smith.

Miss Cohen's body, the missing  
Dayton merchant, was found last Fri-  
day in the Miami river below the  
city. The body was accidentally  
found by Arthur Lloyd, who was  
pleasure riding in a boat. By pic-  
tures of the wife and daughter in  
the case of the watch the body was  
identified. Relatives have been  
searching all over the country for  
the missing man, whose mind was  
thought to have been affected by  
business reverses.

being a constitutional disease, requires a

thereby destroying the foundation of the  
disease, and giving the patient strength by  
building up the constitution and restoring

A movement is on foot to have all  
the retail stores in Dayton closed at  
6 o'clock on Saturday evenings. A  
number of strong clubs are back of  
the movement, and the stores will  
probably close during the summer  
months, at least. In a city the size  
of Dayton such a movement is great-  
ly to be desired, as it is perfect  
keeping with the times.

### LEGAL NOTICE.

Mrs. George Williams, Plaintiff,  
vs.  
George Williams, Defendant.

George Williams, place of resi-  
dence unknown, defendant herein,  
will take notice that on the 31st day  
of May 1910, said plaintiff filed in  
Common Pleas Court of Greene  
County, Ohio, her petition for di-  
vorce against him, upon the ground  
of willful absence for more than  
three years, and that said defendant  
is required to answer or demur to  
said petition on or before July 6th,  
1910, or judgment will be taken  
against him. Said action will be for  
hearing at the Court House in Xenia,  
Ohio, July 16th, 1910, at 9 A. M., or  
as soon thereafter as the same can  
be reached.

Mrs. George Williams, Plaintiff.  
Frank L. Johnson,  
(7-15a) Attorney for Plaintiff.

One of the most important social  
events for this town took place at  
Xenia, where the popular singing  
given by Miss Jennie Smith last Saturday  
evening. The popular singing  
had been tentatively arranged in a  
colorful scheme of pink and white  
blossoms. The music and the  
dainty refreshments were in har-  
mony with the decorations. Each  
guest brought a recipe for a sand-  
wich, which was served in a hand-  
some, round and hand decorated  
volume, the work of the hostess, and  
presented to the band about. A so-  
cial feature of the afternoon was a  
contest in which the answers to  
questions were names of cakes. A  
silver spoon as the prize was won  
by Miss Verna Bird, who presented  
it to Miss Rineck. Favors were passed  
by little Thelma Smith, niece of the  
hostess and little Elwood Smith of  
Xenia. Misses Frances Rineck and  
Mildred Malley passed the refresh-  
ments. Among the twenty guests  
present were the following from  
Xenia: Misses Laura, Nell, Flor-  
ence and Frances Rineck; Mrs. H. L.  
Soyre, and her guest Miss Nolan of  
Cincinnati; Miss Bess Rineck of Col-  
umbus Grove, Mrs. D. L. Crawford  
and Elwood Smith.

Mr. Fulton Ferguson, who has  
been teaching the past year in Wil-  
liams College, has been the guest of  
his sister, Mrs. Charles Turnbull.  
Mr. Ferguson is a graduate of Yale  
University and is one of the best  
educated young men that have come  
from this country. As proof of this  
fact he has been employed as an in-  
structor in Yale for the coming year.

Mr. Guy Mollen, a prominent Cin-  
cinnati attorney who is a member of  
the O. S. U. board, with two sons  
and a daughter spent Wednesday  
with Mr. O. E. Bradfute. Mr. Mol-  
len is a great believer in physical  
exercise and he with his children  
were riding through from Cincinnati  
to Columbus on their bicycles.  
There was a meeting of the O. S. U.  
board Thursday and Mr. Bradfute  
was in attendance.

The End.  
When there is nothing left for a  
man to be enthusiastic over, he might  
as well be dead.

### The Woman's Tonic

Cardui is a gentle tonic  
for young and old women.  
It relieves and prevents  
pain. It builds strength. It  
feeds the nerves. It helps  
the whole system.

Made from harmless  
roots and herbs, it has no  
bad after-effects, does not  
interfere with the use of

As he yet had a few rounds to make the little one waited and had laid down in some deep grass at the end of the corn row. Mr. Burns made one round and did not see, his daughter anywhere and supposed she had returned to the house. The next round his horses were driven out to the end of the row as usual and just as the animal put its foot onto the stomach the discovery of the whereabouts of daughter was made. The horse was jerked back but it was too late. The father lifted the lifeless form and started to the house nearly reaching there before a sign of life appeared. Dr. M. I. Marsh was called and made an examination but could not find an injury of a serious nature. Had the animal taken another step the child would without doubt have been crushed to death.
